

ASIA PACIFIC DANCE ASSOCIATION REFUND POLICIES 2023

REFUND POLICY

Examination refunds are admitted upon receipt of an original medical certificate for candidates who are unable to sit examinations due to sickness or injury. This must be provided within 30 days of the examination date. Refunds are not given for lack of attendance, change of mind or for any other reason. A \$10 administration fee is deducted from refunds.

COVID EXAMINATION POLICIES

Covid is now treated as a medical condition and the normal medical policy applies. No covid or isolating candidates will be able to have video examinations from 2023 unless we reintroduce this policy due to another outbreak or new pandemic.
