2022 EXAM INFORMATION!

Dear Parents/Caregivers and Students,

This booklet has all your need to know information regarding RAD Ballet class awards/exams, APDA jazz, contemporary, tap, musical theatre and hip hop exams/assessments and DSOD performance medals (includes all ballet, jazz, contemporary, tap, hip hop, lyrical, acro and musical theatre classes) for 2022. Please take note of all important dates.

Exams/class awards/assessments and performance medals are a wonderful way to reward students for their efforts in dance throughout the year. While exams/class awards/assessments and performance medals are not compulsory they are highly encouraged!

Due to Covid-19 and the possibility of more online classes and disruptions, all students entering an exam/class award/assessment will need to be regularly practicing at home, attend online classes if in isolation and holiday private lessons where suggested. Teachers will advise if it would be appropriate for students to sit an exam or assessment based on their class attendance and home practice.

Entering an exam/assessment/performance award is a commitment so please make sure you read through all the information in this booklet before entering.

Please don't hesitate to contact me at emily@devonportschoolofdance.com if you have any queries.

DSOD

PERFORMANCE MEDALS

We have introduced our own Devonport School of Dance Performance Medals! Open to all students who learn ballet, contemporary, tap, jazz, acro, musical theatre, lyrical and hip hop. Students learn a dance in class and perform to an examiner and audience of family and friends.

The medal awards are a wonderful performance opportunity and are open to all students from age 5 and upwards (those who are sitting an exam and those who aren't).

The aim of DSOD Performance Medals are to recognise our hard working dancers, celebrate their progress in learning and to encourage and inspire our newest dancers to perform in front of a small audience (the dancers invited family & the dancers peers) - in preparation for our shows nearer the end of the year.

WHAT HAPPENS DURING A PERFORMANCE MEDAL SESSION?

Students will enter the studio with a group of students who are dancing a variety of styles. Students then perform their dance. Junior students perform the dance in pairs and intermediate/ senior students as a solo.

There is then a short medal presentation after the final dancer where students are given their medals.

*Please note: you may take photos and videos of **only** your own child performing but we do ask that you consider being present and enjoying the performance instead.*

WHEN AND WHERE WILL THEY BE HELD?

They will be held at Devonport School of Dance Studio 1- 15 Wynyrd St, Devonport. Performance Medals could be any date between the 23rd - 26th September 2022.

Please note that medal awards are often scheduled on weekdays, and may require students to be taken out of school for a few hours on the day of their medal award. Please consider this when entering. The timetable will be confirmed as soon as possible after entries have been received.

HOW MUCH ARE THE FEES?

\$45.00 per medal

A \$15.00 admin fee has been added to the entry fee to help with the running of the DSOD Performance Medal sessions. This fee is non-refundable.
